Launch Peer Ambassador Program																			■	■							
Develop "Safina for Schools" (ages 16–18)																					■	■	■				
Apply for regional grants (UNDP, Gulf Fund)																						■	■	■			
Begin Indonesia/Morocco R&D																										■	■

Each ■ = 1 month of active work (partial months shown as needed).
Overlapping bars = parallel workstreams.

Dependencies:
MVP must be complete before institutional pilots.
Impact data from Phase 2 fuels national pitches in Phase 3.
KSA pilot (Phase 3) enables full GCC rollout (Phase 4).
